'1025494438628544512'	And I also should have added: For me Twitter is a good place to share brief ideas and updates. It is hard to have serious conversations on social media. We need to talk in person. It is hard to hate up close.	8/3/2018 17:31
'1025448299216732161'	And I should have added: I never read Twitter comments, but I'm guessing you will be able to see examples of the problem there.	8/3/2018 14:28
'1025445714128777216'	We must get better at disagreeing without hating. The Russians know "a house divided against itself cannot stand." So they push us on social media from all sides. If we stand together as Americans and debate issues respectfully, then our true enemies will be defeated.	8/3/2018 14:18

'1003676875095461889'	Just finished Jon Meacham's "The Soul of America." Good reminder that facts and the essential goodness of the American people always triumph. '1002304389422428160'	A great American steps away from another job where he served others and lived up to his own words: "If we have taught them well, they will understand the importance of honesty and integrity, two qualities that will define their legacy in life." https://t.co/RvG037hloZ	5/31/2018 17:42
'999294071683268609'	Dangerous time when our country is led by those who will lie about anything, backed by those who will believe anything, based on information from media sources that will say anything. Americans must break out of that bubble and seek truth.	5/23/2018 10:20
'999286616744124416'	Facts matter. The FBI's use of Confidential Human Sources (the actual term) is tightly regulated and essential to protecting the country. '992062878910906368'	I know the New York FBI. There are no “stormtroopers” there; just a group of people devoted to the rule of law and the truth. Our country would be better off if our leaders tried to be like them, rather than comparing them to Nazis.	5/3/2018 11:26
